**COMPLAINT**

Plaintiff Monode Marking Products, Inc. ("Monode"), for its Complaint against Defendant Freedom Technologies Corporation ("Freedom Technologies"), alleges and states as follows:

**I. INTRODUCTION**

1. This is an action for damages to remedy the infringement by Freedom Technologies of United States Patent No. 6,974,082 (the "'082 patent") in violation of the rights of Monode.

**II. THE PARTIES**

2. Monode is an Ohio corporation with its principal place of business at 7620 Tyler Boulevard, Mentor, Ohio 44060.

3. Monode designs, manufactures and sells products and services relating to marking equipment and integrated marking solutions.

4. Upon information and belief, Freedom Technologies is a Michigan corporation with its principal place of business at 10370 Citation Drive, Suite 200, Brighton, Michigan 48116.

5. Freedom Technologies manufactures, offers for sale and sells software applications including the product marketed as Error Proof®. Error Proof® is marketed as having label printing and production information capture functions.

### **III. JURISDICTION AND VENUE**

6. This Court has subject matter jurisdiction over this patent infringement action pursuant to 35 U.S.C. §§ 271 and 281, and 28 U.S.C. §§ 1331 and 1338(a).

7. This Court has personal jurisdiction over Freedom Technologies because, upon information and belief, it regularly sells, advertises, and distributes products in this judicial district that infringe claims 1 through 23 of the '082 patent, regularly solicits business in Ohio and in this judicial district, regularly engages in a persistent course of conduct by conducting business in Ohio and in this judicial district, and regularly derives revenue from goods sold and used in Ohio and in this judicial district.

8. Venue is proper in this judicial district pursuant to 28 U.S.C. § 1391(b) because, upon information and belief, the events giving rise to Monode's claims of patent infringement against Freedom Technologies occurred in this district. Venue is also proper in this judicial district pursuant to 28 U.S.C. § 1391(c) because this Court has personal jurisdiction over Freedom Technologies. Venue also is proper pursuant to 28 U.S.C. § 1400(b) because, upon information and belief, Freedom Technologies has committed, and continues to commit, acts of infringement in this judicial district.

**IV. FACTUAL BACKGROUND**

9. On December 13, 2005, the '082 patent, entitled "Hardware Integration System," was duly and legally issued to Jonathan T. Mackey ("Mr. Mackey"). A true and accurate copy of the '082 patent is attached as Exhibit A.

10. On December 1, 2003, Mr. Mackey assigned the '082 patent to Monode. At all times since December 1, 2003, Monode has been, and continues to be, the sole owner of all right, title and interest in and to the '082 patent, including the exclusive right to recover for infringement of the '082 patent.

11. Monode manufactures and sells the Triad Software System.

12. Monode marks the Triad Software System with the '082 patent.

13. Freedom Technologies has manufactured, offered for sale, sold, used, or imported, and continues to manufacture, offer for sale, sell, use or import, software and hardware such as the Error Proof® software application that is capable of infringing claims 1 through 23 of the '082 patent.

14. Freedom Technologies' manufacture, offer for sale, sale, use and importation of the Error Proof® software application has been without the permission or consent of Monode.

15. Monode has not licensed or otherwise granted Freedom Technologies any rights under the '082 patent.

**V. COUNT 1 – PATENT INFRINGEMENT**

16. Monode incorporates by reference the preceding paragraphs as if fully alleged herein.

17. Freedom Technologies has been and is now directly infringing, contributorily infringing, and/or inducing infringement of claims 1 through 23 of the '082 patent by making,

using, importing, offering for sale, or selling the Error Proof® software application that is capable of practicing claims 1 through 23 of the '082 patent within this judicial district and elsewhere in the United States.

18. Freedom Technologies has knowingly infringed the '082 patent and Freedom Technologies' direct, contributory, and/or inducement of infringement has been and is willful and deliberate.

19. Freedom Technologies has profited and will continue to profit by its infringing activities.

20. Monode has been damaged by Freedom Technologies' infringing activities.

WHEREFORE, Monode prays that this Court:

A. Enter judgment that Freedom Technologies has directly infringed claims 1 through 23 of United States Patent No. 6,974,082;

B. Enter judgment that Freedom Technologies has contributorily infringed claims 1 through 23 of United States Patent No. 6,974,082;

C. Enter judgment that Freedom Technologies has induced infringement of claims 1 through 23 of United States Patent No. 6,974,082;

D. Award Monode all of its damages caused by Freedom Technologies' acts of infringement of United States Patent No. 6,974,082 together with interest and costs as provided for under 35 U.S.C. § 284;

E. Order an accounting of Freedom Technologies' profits arising out of its infringing activities and award Monode those profits;

F. Enter judgment that Freedom Technologies' infringement is willful and increase the damages to three (3) times the amount found or assessed pursuant to 35 U.S.C. § 284;
